EXCELLENT CAREER OPPORTUNITIES

OUR VISION

- ❖ We would like to serve our patients in **the best possible and innovative way**, where they feel comfortable and welcomed
 - ❖ We are planning to expand our services and open additional Medical Centre's **across the whole country** within 2 years
 - ❖ We are aiming to **become top-notch provider** of outpatient medical care via convenient and spacious Medical Centres to patients in Paphos, Limassol, Larnaca, and Nicosia

ABOUT US

WeCare Medical Centre is a brand-new modern boutique clinic with a leading-edge approach to service outpatients in Cyprus.

The Medical Centre was created to provide a high professional level of general medical treatments, assessments & consultations to the patients in Cyprus (residents and tourists). For residents, we provide treatments & consultations within the National Health System (GESY) as well as for non-GESY residents, and for tourists we offer private high-level general treatments and consultations services. All under one roof where everybody feels welcomed and comfortable.

The Medical Centre`s branches will be located in Paphos, Limassol, Larnaca and Nicosia.

WeCare Medical Centre will have the team of the following doctors:

- General practitioners/
Personal Doctors
 - Pediatricians
 - Gynecologists
- Dermatologists
 - Cardiologists
 - Urologists

WeCare about YOU!

- WeCare Medical Centre has been created as a hybrid version of the Public & Private Medical Centre in Cyprus. We focused on creating a modern, stylish and professional Outpatient Medical Centre serviced by General Practitioners & specialized doctors serving local citizens, citizens registered in the National Health System (GESY), expatriate and tourists.
- The Medical Centre is operating six days a week, 12 hours a day (two-shift operation), with receptionists and support staff – nurses.
- The comfortable waiting area with TV, free WIFI, water, coffee/tea and A/C throughout the whole centre takes the whole experience of patients and the staff to the next level.
- Outside car parking right next to the Medical centre, with wheelchair/stroller access, gives a comfortable and stress-free departure for our patients.
- Services of reception such as appointment booking via phone, email or web, call inquiries, basic medical support over the phone and comprehensive client management is one of the key factors of our services.
- Mobile phone app (iOS & Android) with features such as online appointment booking, diagnoses records, medical prescription, notification before an examination, etc. are giving extra benefits & convenience to our patients.
- We provide many more extra though simple services to our patients and take care of our employees.

SHAREHOLDERS AND FOUNDERS

LOCATION

Paphos is a coastal city in the southwest of Cyprus and the capital of Paphos District. The current city of Paphos lies on the Mediterranean coast, about 50 km west of Limassol (the biggest port on the island) which has an A6 highway connection.

Paphos International Airport is the country's second-largest airport. The city has a subtropical-Mediterranean climate, with the mildest temperatures on the island.

Paphos is included in the official UNESCO list of cultural and natural treasures of the world's heritage for its spectacular ancient remains and was selected as a European Capital Culture for 2017.

Paphos has a long history in sports, with several football, basketball & volleyball teams.
